

Cleaning Partner Interview Questionnaire

Name (or business name):

Phone number:

Email:

What is your availability like?

How do you communicate between your team and hosts?

Do you have any experience in short-term rentals?

How many members make up your team?

This is important because with larger cleaning companies, you often do not get the same people coming into the house.

Do you provide a thorough cleaning checklist that is specific to the home or do we need to provide one?
